I used to write for him back in the day
Noah: cool
5:15 PM **me**: he's about to start doing scripts for some production company as well, apparently
might be a good fellow for you to know in the long run
Noah: totally - we should all go get a beer asap
5:17 PM **me**: yeah, I'm going to be stuck at the house for the next week or so as I finish my book, but perhaps you could drop by some time afterwards
